# Background Check Add-ons

\$5.00

optional  
add-on

## Pre-Adverse and Adverse Action Letter Distribution

Initiate Pre-Adverse and Adverse Action notices with a click of a button. Automatically send notices directly to the candidate's email address. Your cost includes both Pre-Adverse and Adverse Action notices.

\$9.95

optional  
add-on

## Education Verification

Education Verification confirms the credential earned by an academic institution. This service includes the highest education level completed and may incur third-party verification fees.

\$9.95

optional  
add-on

## Employment Verification

We contact the past or current employer to verify information provided on an application. The verification includes one employer located in the United States. This service may incur third-party verification fees.

\$9.95

optional  
add-on

## Professional License Verification

The Professional License Verification contacts the license issuing authority to verify that licenses are current and in good standing.

\$9.95

optional  
add-on

## Motor Vehicle Report

The Motor Vehicle Report queries the applicant's state Department of Motor Vehicle records and provides a three- to five-year driving history. Out-of-state driving-related charges and vehicle-related crimes are frequently included on the report.

\$9.95

optional  
add-on

## Federal Criminal Search

Offenses that are violations of Federal law, as opposed to state or local law, can only be found through a search of U.S. District Courts. Federal violations generally do not appear in either a county or statewide criminal check. Note that Federal offenses can be severe and can include kidnapping, d...
